GROUP EXERCISE CLASS DESCRIPTIONS

CARDIO CLASSES

CYCLE: Tailored for all abilities and fitness goals, Cycle delivers an experience at a self-directed pace. This class is a great cardiovascular workout. Pedal through hill climbs, sprints, and many other challenging drills and exercises. All levels are welcome!

ZUMBA®: Be prepared to move to hypnotic Latin and international rhythms. You'll enjoy this awe-inspiring, muscle-pumping, caloric-burning blast as you lose yourself in the music and find yourself in shape. This class is suitable for all fitness levels and no experience is necessary.

CARDIO/STRENGTH CLASSES

BOOTATTACK™: A high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats

BOOTCAMP™: A functional, full body workout combining cardio, strength, and sport specific training drills using various pieces of equipment. Challenge yourself with this fast paced, calorie-blasting workout, using the traditional Boot Camp style approach. Boot camp is geared toward all fitness levels. Modifications are always offered!

STRENGTH CLASSES

BODYPUMP™: BODYPUMP®, the original barbell class, will sculpt, tone and strengthen your entire body, fast! Great bodies aren't born, they are transformed, using the proven BODYPUMP® formula: THE REP EFFECT™ a breakthrough in resistance workout training. Focusing on low weight loads and high repetition movements, you'll burn fat, gain strength, and quickly produce lean body muscle conditioning. BODYPUMP® is one of the world's fastest ways to get in shape as it challenges all of your major muscle groups.

LES MILLS TONE™: If you want the optimal mix of strength, cardio and core training this is it. The challenging mix of lunges, squats, functional training and tubing exercises will help you burn calories and take your fitness to the next level. Also a great foundational class, LES MILLS TONE has a wide variety of options accommodating all fitness levels ensuring everyone leaves the workout feeling successful.

MIND BODY CLASSES

CHAIR YOGA: This gentle form of yoga is practiced sitting on a chair or using a chair for support during standing poses. Chair yoga is especially suitable for older adults, people with balance or coordination issues, and those with disabilities. Chair yoga helps increase flexibility, improves balance, and relieves stress. The class incorporates breathing exercises, stretching, yoga postures, and final relaxation.

YOGA: Yoga is known for its endless health benefits. Consciously linking the movement of the body to the movement of the breath, these classes are a dynamic, flowing practice, which leads you through a balanced series of postures to strengthen and build flexibility, promoting physical stamina and a sense of deep inner calm. Add to any fitness routine and Yoga will improve your overall performance.

PILATES: Pilates is a system of exercises using special equipment, designed to improve physical strength, flexibility, posture, and enhance mental awareness. The Pilates class is suitable for all levels.

AOA CLASSES

AOA FITNESS: Have fun and move to the music through a variety of exercises designed to increase muscular strength and range of movement. Getting started and getting more out of your day-to-day activities is the focus. A variety of equipment will be used and modifications will be given.

CHAIR YOGA: This gentle form of yoga is practiced sitting on a chair or using a chair for support during standing poses. Chair yoga is especially suitable for older adults, people with balance or coordination issues, and those with disabilities. Chair yoga helps increase flexibility, improves balance, and relieves stress. The class incorporates breathing exercises, stretching, yoga postures, and final relaxation.
